## iQ-LED Kanlux

**CHOOSE DURABILITY, QUALITY  
AND ENERGY SAVINGS**

iQ-LED FL floodlights are part of Kanlux's iQ-LED line, which means that they combine the primary benefit of LED lighting technology – low energy use – and the highest quality components.

**Introducing Premium iQ-LED Family products by Kanlux.**

## Kanlux iQ-LED FL

### GUARANTEED DURABILITY AND ENERGY SAVINGS

Thanks to the use of high-quality components and automated production processes, the entire iQ-LED FL line is covered by a 5-year warranty (50,000h durability). IP 65 (IP 44 for the motion sensor version) protection ensures high resistance to ambient weather while the excellent lighting efficiency exceeding 120lm/W brings you increased energy savings. Featuring branded, high-quality LEDs, Kanlux's iQ-LED line guarantees top-of-the-line lighting parameters.
