Kanlux

KANLUX AQILO IP65

surface mounted luminaire with a high IP rate, i.e. high resistance to the penetration of solids (e.g. dust) and liquids (e.g. water). Aqilo IP65 has a simple design and is available in three colors.

33360 | AQILO IP65 DSO-W

33361 | AQILO IP65 DSO-B

33362 | AQILO IP65 DSO-GR

Kanlux

High tightness - IP65

the luminaire is intended for use in rooms where electrical devices are exposed to increased humidity and the risk of flooding with water, e.g. bathroom, kitchen, cellars and for use in external areas of the house (terraces, balconies, roofed entrances to the house, etc.)
