and IP44-class protection,
it is perfectly suited
for indoor and outdoor
applications.

Kanlux

Kanlux FLUXY LED

High-quality workmanship

The lampshade is manufactured from high-quality plastic which perfectly imitates glass.

Touch control

Operate the ON/OFF and dimming functions with the press of a finger.

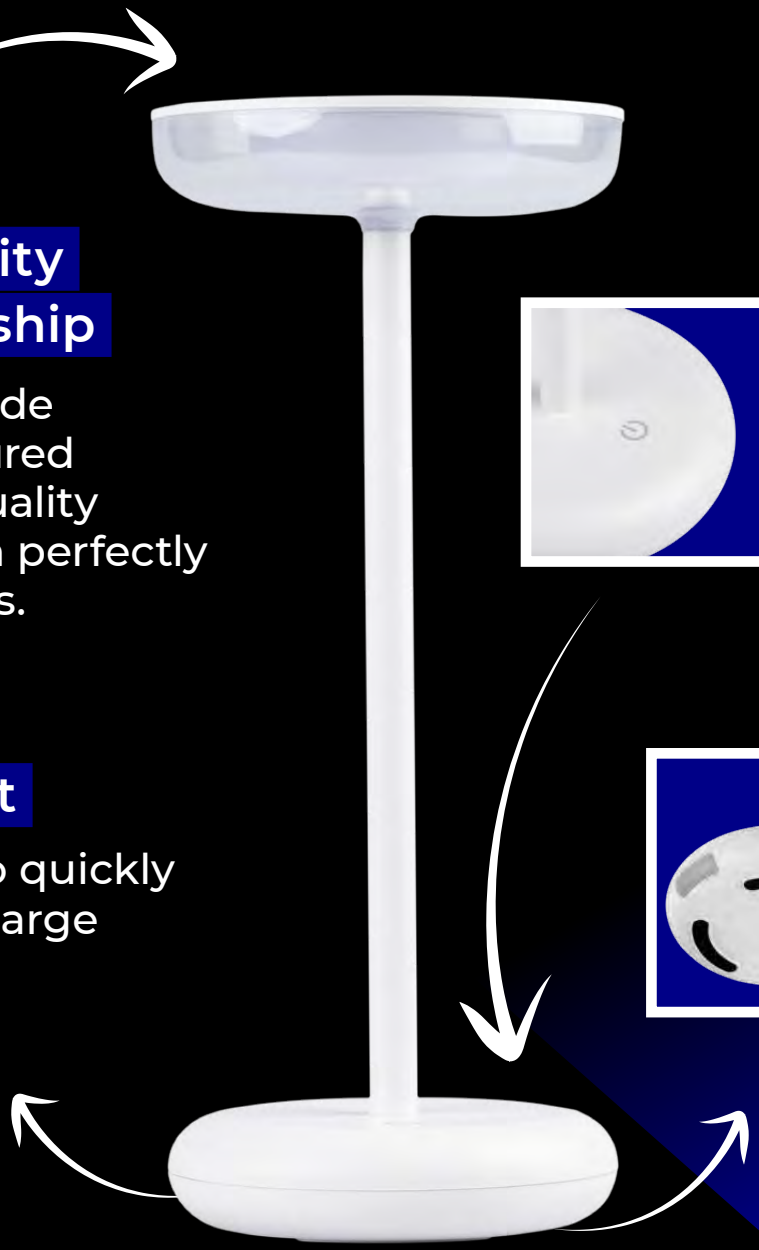
USB-C Port

Allows you to quickly and easily charge your lamp.

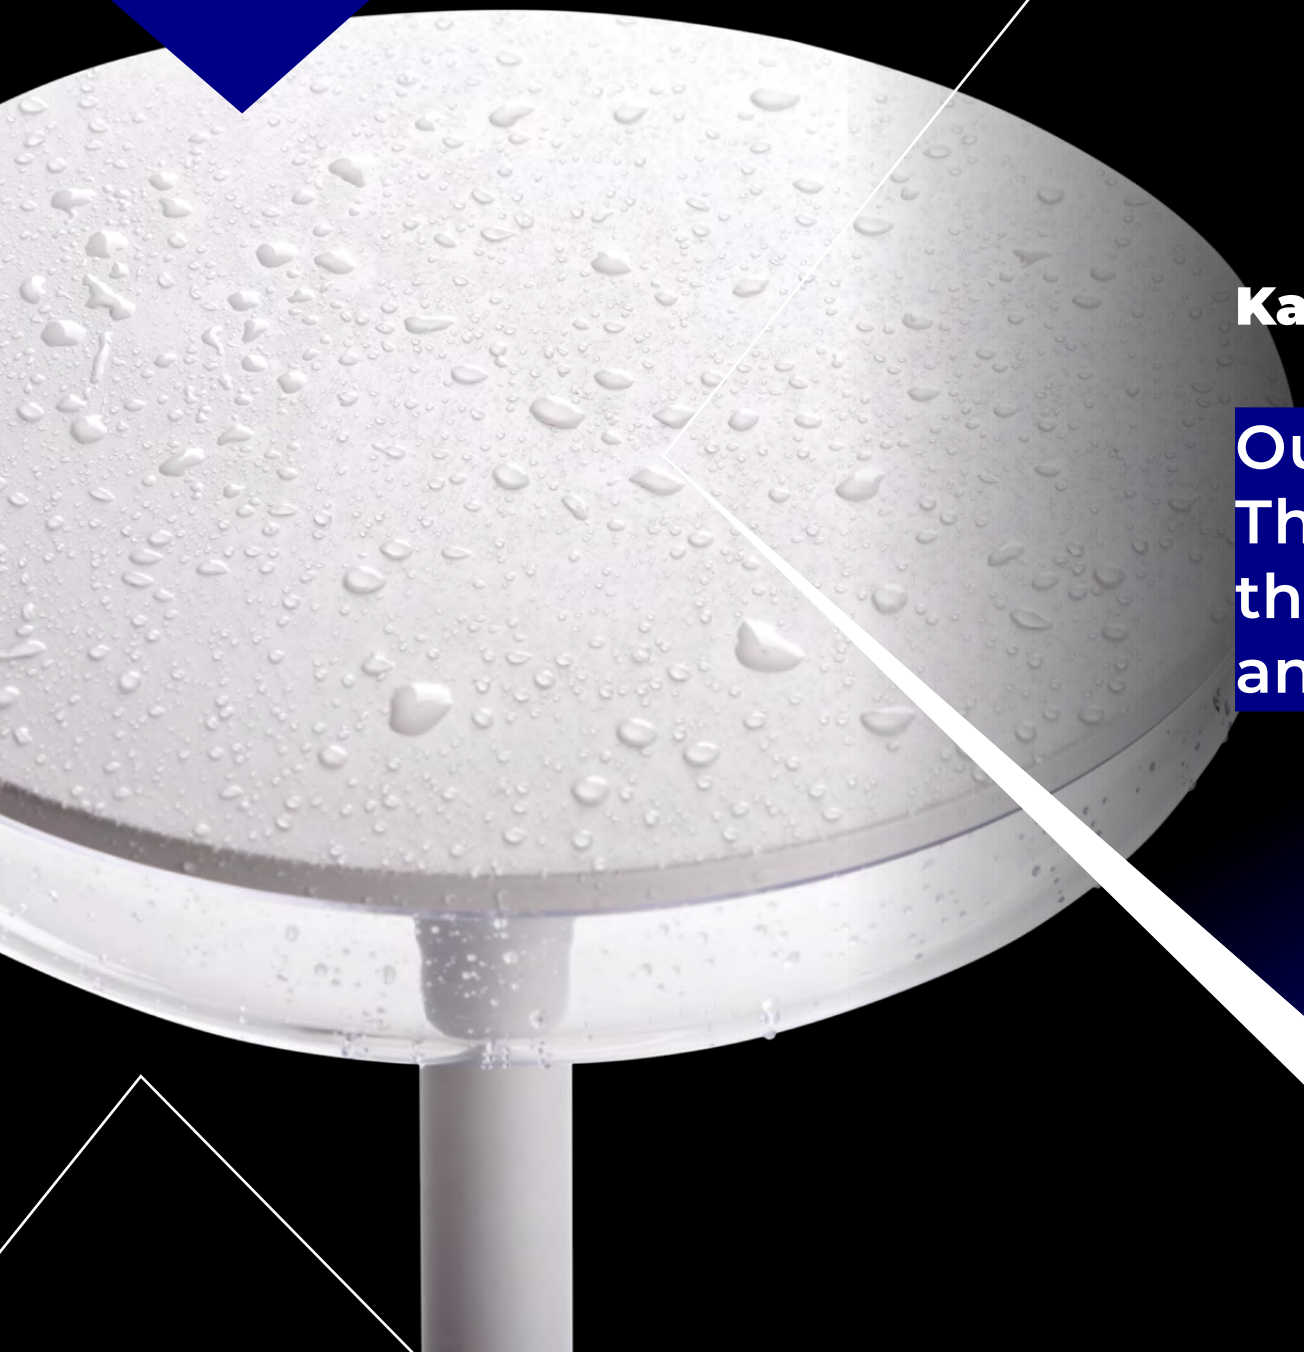
Product sold without power supply and USB cable.

Anti-slip pad

Prevents the lamp from slipping and scratching furniture and other surfaces.



Kanlux



Kanlux FLUXY LED

IP 44

Outdoors-safe.
Thanks to its IP44 rating, the lamp is resistant to rain and dust.
