## Kanlux PLAVE LED CCT

### 38033 PLAVE LED CCT

rated voltage: **220-240 AC**

luminaire power: **max 48W**

fan power at full speed: **max 15W**

luminous flux from led module: **max 6800lm**

luminous flux from luminaire: **max 2100lm (NW)**

light temperature (CCT): **3000K - 6500K**

night mode: **max 2W (2700K)**

material: **plastic**

control method: **IR remote control**

power supply of remote control: **2 x AAA 1,5V batteries**  
(batteries not included)
