

**BASIC INFORMATION**

|                |                      |
|----------------|----------------------|
| Product name:  | <b>ELA LED 0,4W</b>  |
| Ideus index:   | <b>03791</b>         |
| EAN barcode:   | <b>5901477337918</b> |
| Colour:        | <b>White</b>         |
| Materials:     | <b>ABS</b>           |
| Height:        | <b>60 mm</b>         |
| Width:         | <b>51 mm</b>         |
| Depth:         | <b>61 mm</b>         |
| Box packaging: | <b>100 pcs</b>       |

**REMARKS**

- decorative product
- twilight sensor

**PRODUCT PARAMETERS**

|                                                                                       |                                       |
|---------------------------------------------------------------------------------------|---------------------------------------|
| Power supply:                                                                         | <b>230V 50Hz</b>                      |
| Power:                                                                                | <b>0,4 W</b>                          |
| Dedicated light source:                                                               | <b>N/A</b>                            |
|                                                                                       | <b>Non-replaceable light source</b>   |
|                                                                                       | <b>Do not use with a mains dimmer</b> |
| Luminaire luminous flux:                                                              | <b>16 lm</b>                          |
| Shelf life L70B50 in h:                                                               | <b>20 000 h</b>                       |
| Product offer the possibility of adjusting the illumination direction:                | <b>No</b>                             |
